*Estimates of Net Investment Income are not being provided for the Segall Bryant & Hamill Plus Bond, Quality High Yield, Municipal Opportunities and Colorado Tax Free Funds because they pay monthly distributions.

Shareholders electing cash distributions will be mailed a check, to your address of record, along with a confirmation statement on December 18, 2018.

Shareholders electing to reinvest distributions will receive confirmation of this transaction on your consolidated account statement mailed in early January 2019.

A Fund's income from dividends and interest and any net realized short-term capital gains are paid to shareholders as income dividends. A Fund realizes capital gains whenever it sells securities for a higher price than it paid for them. Net realized long-term capital gains are paid to shareholders as capital gain dividends. A dividend will reduce the net asset value of a Fund share by the amount of the dividend on the ex-dividend date.

Distributions paid on non-retirement accounts are taxable regardless of whether they are paid in cash or reinvested. Segall Bryant & Hamill Funds will mail the appropriate tax forms, including Form 1099-DIV, summarizing the distributions paid for the 2018 calendar year, by February 15, 2019.
