D. Notice of Withholding on Distributions or Withdrawals from IRAs

This notice is required to be furnished to you by IRS regulations each time an IRA distribution is requested.

The distributions you receive from your retirement plan are subject to Federal Income Tax withholding. If you have provided Segall Bryant & Hamill Funds with your residence address within the United States, you may elect not to have withholding apply. Withholding will only apply to the portion of your distribution that is included in your income subject to Federal Income Tax. If you have not provided Segall Bryant & Hamill Funds with your residence address, or if you have provided a residence address outside of the United States, withholding generally is required. You cannot elect out of withholding.

If you are eligible (as explained above), you may elect not to have withholding apply to your distribution payments by signing and dating the election form and returning it by mail or personal delivery to your Segall Bryant & Hamill Funds representative.

If you elect not to have withholding apply to your distribution payments, or if you do not have enough Federal Income Tax withheld from your distribution, you may be responsible for payment of estimated tax.

If you intend to make a rollover deposit of the distribution you are receiving, you should consider the election not to have tax withheld.

If you do not return the election form within five days prior to the date for which your payment is requested, Federal Income Tax may be withheld from the taxable portion of your distribution.

E. Tax Withholding

Please read the NOTICE OF WITHHOLDING before making your selection below.

- 3. I have not provided Segall Bryant & Hamill Funds with a residence address within the United States. I understand that Federal Income Tax will be withheld from my distribution(s).

The notice included in section 2(D) of this IRA Distribution Request explains the tax withholding election. Even if you elect not to have tax withheld, you are liable for payment of Federal Income Tax on the taxable portion of your distribution. You also may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate.
